Principal's Report

I was on an online meeting last week with many other principal's from the local area and some from wider regional NSW. I was interested to hear that many of the schools are very unsettled this year since the covid 19 shutdown. Whilst I have already mentioned how happy I am with all students and the studious atmosphere in all of our classes but this makes me even more proud. I thank and encourage all staff and students for their dedication and cooperation. Whilst we don't know what the future holds with this pandemic, we can only plan for the worst, hope for the best and make the most of every learning opportunity in the meantime.

Congratulations to Mrs Kirsten Haling and her husband Nathan on the birth of their son Augustus John Haling last week. We are thrilled to hear that both Mum & baby are doing well.

Have a great week.

School News

Well what a fun day we had last week to celebrate Education Week. The theme was 'Learning Together'. We had six activities which all students K-6 participated in. There was plenty of fun had as students rotated through Bingo, Cupcake decorating, Football, Music/Dance, Sphero's/Ipads and Art. The day involved lots of laughs and good times and this was particularly nice to see and hear during these uncertain times. A huge thanks to all the staff and students who worked so collaboratively throughout the day to ensure it was a huge success.

We would like to offer our congratulations to Kirsten and Nathan Haling on the arrival of their little boy. We wish their family every happiness.

This week we have Kelly coming to do some speech assessments and reviews of students who are currently on speech programs. If you have any concerns about your child's speech or language skills please call school to make an appointment with Miss Ede or Miss Skinner. Kelly comes to work with us from Marathon Health and we are very lucky to have this service.
